The Southeastern Employment and Training Association (SETA) Spring Conference attracts approximately 500 - 600 Workforce Development Professionals from across the eight states of the southeast and other areas. These states include Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. Attendees represent labor, state and federal government, education, community-based organizations, community colleges and the private sector. SETA is the only regional conference in the United States. Conferences, presented twice annually, feature timely topics and outstanding networking opportunities.

Each year, SETA arranges for vendors to exhibit at these conferences. SETA invites you to join us at the Marriott Chattanooga at the Convention Center in Chattanooga, Tennessee on March 14-17, 2010. Exhibitors have always been an integral part of our conference, and we hope you will be with us this year.

The exhibitor fee of **\$600.00** covers conference activities for one representative, which includes meals and all social functions and activities. A name tag for another representative to be with you at your booth may be purchased for **\$100.00**.

Set up for Exhibitors will be on Sunday, March 14th from 1:00 p.m. – 6:00 p.m. Exhibits will be open on Monday and Tuesday at the times listed in the program. Please check the program for the final times.

There is also a new opportunity for your organization to become a Sponsor at SETA conferences. Please check SETA website for information on how to become a Sponsor. The benefits are outstanding and provide increased exposure for your organization/company.
