

June 2009

Dear Workforce Development Colleague:

It is time to renew your membership in the South's largest workforce development association. For 37 years the Southeastern Employment and Training Association (SETA) has provided information, services, and regional conferences for workforce development professionals throughout Region III.

We have about 1,900 members, but we need your continued support! Please complete the application for membership for the timeframe of July 1, 2009-June 30, 2010. Complete the enclosed Membership Application and mail your check to the address listed on the form. SETA is still a tremendous value at \$20.00 per year for individuals and \$250.00 for the entire Board!

Your membership qualifies you for reduced registration fees at the Fall and Spring Conferences, regular newsletters, important information related to current workforce development issues, and an opportunity to network with other professionals in the same field.

For current information about conferences, visit SETA's Conference Page on the SETA website (www.seta.org) or contact SETA staff at (864) 221-4469.

Thank you for the support you have shown SETA through your membership and participation.

Sincerely,
Stacy Campbell-Domineck
Second Vice-President
Executive Board
