July 2010

Dear Colleague:

As always, the private sector's involvement in workforce training activities with the Southeastern Employment and Training Association (SETA) has been a critical ingredient to our success. We have made significant efforts to reach out and educate both Board members and Local Elected Officials about cutting edge policies and activities related to the workforce. We plan to continue to build on these efforts over the next year as SETA continues to grow.

I am writing to invite your Local Workforce Development Board, State Workforce Investment Board, or other workforce development council to become a member of SETA, or to renew your existing membership. Each member of your Board can enjoy the benefits of membership in SETA for an annual fee of only \$250 per Board. In most instances, this \$250 group fee will be a savings over the normal \$20 per person membership fee. Membership will be valid from July 1, 2010 through June 30, 2011.

As a member of SETA, Board or Council members can access newsletters discussing issues important to the employment and training arena, will receive a reduced conference registration fee at our two annual conferences, and will be able to network with other board members throughout the Region. Networking opportunities are considered one of the most valuable tools for sharing experiences, ideas, and finding solutions to similar problems and the SETA conferences are a perfect setting for it. They will also be able to participate in SETA sponsored events that your state may offer throughout the year.

Please complete the enclosed application and return it with your check made payable to SETA. **Be sure to attach a list of all Board members** so that we may include them in our database; thereby, ensuring that they will be on the mailing list.

If you want additional information about SETA, or if you have any questions, please call SETA Staff Support at 864-221-4469.

Sincerely,

Richelynn C. Douglas

Richelynn C. Douglas
